Date and time:

Sat, Jul 24, 2021, 4:00 PM EDT

Location:

Ypsilanti, MI 48197

Who: Anyone interested in having fun and likes to collect Boy Scout memorabilia

Food & Drink: We'll supply complimentary cold drinks (emphasis on Michigan craft beers) and hot brats on Saturday.

Trading Tables: We'll have some tents set up in case of bad weather plus all of the tables and chairs we can scrounge up. Feel free to bring yours though.

So that we can plan how much food, register for the event. Registration fee fully refunded upon your arrival. The event is completely free. The fee is simply to cover what we lay out for registered participants that don't show.

Swapping/selling tables are FREE, 1 per person while they last to registered collectors. That means if you get here early you'll get a table. If you come late, you'll get good food and good beer plus plenty of fun and fellowship.

You can bring your own tables, chairs, and awnings; that way you're guaranteed a spot!
