Streamwood has the experience of sponsoring 53 Scout Memorabilia Trade-o-ree's since 1990. We will do this right. We have the experienced staff, the equipment, and the plans to make this the best ever TOR. The Chilhowee Convention Center location is 5 miles from the University of Tennessee Campus. You just cannot get this size facility any closer to the OA National Conference. **We have 56,000 square feet** of space, more space than any NOAC in the last 30 years! Our facility has lots of loading and unloading space, lots of room for all your stuff in one big room with big ol' aisles to make getting around to see stuff easy. We are working on hotel and motel facilities for all of us collectors and NOAC attendees but with the Covid issues, it has been more challenging than ever. We will keep you informed with our progress. Group rates at a discount are really crazy weird right now.

Yep, it's about 1.4 acres, in one big room, on ONE level, great lighting, and no obstructions. It's spacious, clean, safe, and THE biggest possible available location in the Knoxville area for a TOR! Security guards on duty 24 hours a day to help us. Concessions in the TOR room for snacks, drinks, and meals so you can get something to keep you going. Great loading facilities, with multiple loading doors leading directly into our room for easy access. Streamwood will be providing a full load of hand trucks, wagons, flatbed carts, and our staff to assist traders unloading their vehicles and get to their assigned tables.

(But, at midnight the room needs to be empty, ready to hand it back to the Chilhowee Center Management.)

We have never wimped out and closed early just to make room for someone else! Its our room, and we are NOT leaving early! The NOAC Registration and move-in day is Monday, July 25 for participants. Some NOAC Staff are moving in earlier, on an "As-Needed" basis. The NOAC Opening Show will be Monday evening.
